

How to Set Up E-mail Manually on Your NOOK Tablet

To set up an email account manually, follow these steps:

1. **Press the \cap button to display the quick nav bar.**
2. **Tap Apps.**
3. **In the Apps window, tap Email.**
4. You're taken to the Inbox. If you haven't visited the Email app yet, you're taken to a screen so you can set it up.
5. **Type the address for your e-mail account.: username@united.net**
6. **Enter the password for the account.**
7. **(Optional) Tap the check box for Send Email from This Account by Default.**
8. **Tap Manual Setup.**
9. The Server Settings screen opens.
10. **Choose an account type: IMAP.**
11. **Tap OK.**
12. **Enter the name of the IMAP server: mail.united.net**
13. Some systems have extra security requirements or use a non-standard port (the gateway from your tablet to the Internet). Leave these settings unchanged.
14. **Tap Next.**
15. If to the NOOK Tablet connects with the email provider, it shows you another setup screen.
16. **Enter the name of the SMTP server, if you're prompted for it: mail.united.net**
17. If all goes well, you see one final page.
18. **Make a time selection.**
19. This is how often the tablet will check for new e-mail.
20. **Indicate whether you want to hear a chime when you get new e-mail.**
21. **Tap Next.**
22. **Tap Done.**
